

Let's Celebrate your 5th Grader!

Where has the time gone??

As part of the 5th grade celebration on May 24th, we are putting together a powerpoint of all our 5th graders when they were younger.

The 5th grade committee is asking you to email two pictures of your 5th grader – one of him/her under the age of 3 and another recent 5th grade picture.

The pictures will be put in a powerpoint where the 5th Graders will try to guess who is in the “young” picture.

To include your child in the fun, please email your pictures to roth5thgrade@gmail.com by May 12th.
